The Art Prompt is:

Linda Vista is a vibrant community rich with cultural diversity, reflected in its people, restaurants and cuisines that call it home. This year's theme, "*Food from the Heart*," invites you to explore the connections we have with food. Share your story, celebrate the flavors of Linda Vista, and showcase how food from the heart brings us together!

- **Create an art piece** inspired by your favorite dish from a local restaurant or a treasured homemade meal. Include symbols that show how this dish or place reminds you of home, community, or Linda Vista.

Use these questions as inspiration for your art piece:

- What is your favorite restaurant in Linda Vista, and why?
- Do you have a favorite homemade meal that brings back special memories?
- How does food help you feel connected to your culture, family, or the Linda Vista community?

The art can be either portrait or landscape and any medium the student chooses, the size is regular printing paper – 8.5 x 11.
